

**COOLEST  
PROJECTS**

# *THE WORLD'S LEADING TECHNOLOGY SHOWCASE FOR YOUNG PEOPLE*

Coollest Projects online is a celebration of creativity and innovation where young people can showcase what they've made with technology. If you enjoy making digital projects, Coolest Projects is an amazing opportunity to get creative, have fun, and celebrate what you have made. Your creation will be showcased in the Coolest Projects online gallery, for people all over the world to see! Coolest Projects is free, it is open to anyone up to the age of 18, and you can join in wherever you are in the world.

# HOW TO GET READY FOR COOLEST PROJECTS

1

## CHOOSE A PROJECT IDEA

Think about how you want to contribute to your community or express yourself creatively with technology. No idea is too small or too big!

2

## MAKE YOUR PROJECT

Work with a friend, assemble a team of up to five, or work on your own. Coolest Projects is all about making and sharing, so be sure to tell your friends to join in. Projects must be presented in English.

3

## REGISTER YOUR PROJECT

Think of a project name, pick a parent or teacher to be your project guide, and register your project at [coolestprojects.org](https://coolestprojects.org).

4

## CHECK OUT THE SHOWCASE

Check out [coolestprojects.org](https://coolestprojects.org) to see your project among thousands of others in the gallery and find out when the judges will announce their favourites!

**ALL SKILL LEVELS ARE WELCOME  
AND ALL TYPES OF PROJECT  
ARE ENCOURAGED**
